Directory of State Historical Organizations Now Available

EAST LANSING: A new reference tool to locate historical organizations in Michigan is now available. The *Michigan History Directory of Historical Societies, Museums, Agencies and Commissions* includes over 700 detailed listings making research into Michigan history more accessible to all.

Arranged alphabetically by community and including a full index, the directory is a critical reference volume for libraries, helpful for historical organizations making referrals or trying to contact colleagues, and for the public as they work to locate sources of historical information.

Each entry in the *Michigan History Directory* lists the organizations' name, address, phone, fax, contact names, e-mail addresses, website, hours, archives information, and a description of the organization and its holdings.

“The *Michigan History Directory* is an important reference volume for our state” commented Historical Society of Michigan Executive Director Larry Wagenaar. “We

believe users will find it very helpful as they search for contacts, discover a local society, or consider visiting one of the many fine historical organizations around our state.”

Copies of the *Michigan History Directory* are available for \$19.95 plus \$3 for shipping by contacting the Historical Society of Michigan, 1305 Abbott Rd, East Lansing MI 48823 or calling toll-free at (800) 692-1828. Trade discounts are also available to retailers and gift shops that order for resale.
